Rural Community Conference

Promoting Healthy, Thriving Communities

SAVE THE DATE! AUG 31 – SEPT 1 2010 • BOZEMAN

Neighborhoods, schools, cities and towns are bringing all kinds of people into creative community problem solving and building a future for the rural West. This is your chance to *share, learn, connect* and *mobilize* with others dedicated to creating thriving rural communities. Join us and find solutions, share success stories, adopt new tools. Leave ready to move from waiting to leading, from talk to action.

Break-Out Sessions • National Keynote Speakers

Panel Discussions • Community Resource Fair

The Web site for the conference will be updated soon and can be found at: www.ruralcommunityconference.org.

Online registration will be available. Conference scholarships will be available.
